

GUIDELINES FOR ABSTRACTS AND POSTERS

Abstracts

- Abstracts should be based on activities carried out within rare disease or orphan drug registries.
- All abstracts should be written in English.
- Abstracts should contain no more than 400 words, excluding title, authors' full name, surname and affiliation, and references (max.3)
- Tables, charts and figures should not be included in abstracts.

Posters

- Poster dimensions:
70 x 100 cm.
- Posters may include more tables and figures and the text may have different length.

Therefore, these indications are not binding:

- Font: Arial
- Title (60-100 points)
- Author (30-40 points)
- Institution (20-40 points)
- Text (16-24 points)
